

TIME FOR ENGLISH

LUNCH TIME!

Lunch Time - *English for kids* - It is designed to help your child to develop and maintain their English level. Each group focuses on a mix of conversation, writing, spelling and vocabulary building to ensure that your child can have a dedicated hour for enjoying and using English.

The courses: The courses are at school during lunch time and are taught by Vicki van de Waardt, a native English speaker who has 13 years experience as a Primary School teacher in the UK and has been teaching English at de basisschool De Schalm in Vught for the last 8 years.

Curriculum: We have developed our own programme in line with the Cambridge International Press, the English National Curriculum and other schemes for teaching English as a second language. The differentiated courses have been created to support and extend the English learnt previously and in the English class lessons.
