## **English update!**

<u>Group 8-</u> The English school have received our letters and are now replying to us. We will also be sending them some videos that children have made about life in the Netherlands. This term we are comparing different places using comparatives and superlatives. There will also be a special presentation about Buenos Aires by Andre, our Argentinian volunteer

<u>Group 7-</u>The children have designed some fantastic villas to rent. They have swimming pools, games rooms and they can be found all over the world. They are now on display outside the classroom. Our new topic is - Clothes and hair styles. The children have been playing guess who! We have been doing role plays - reporting missing people to the police by describing their hair and clothes.

<u>Group 5/6</u>- Our topic is 'Our home '. The children have been learning rooms in a house and listening and guessing the sounds of different objects in the house. They then put the objects into the correct room. See you song and prezi below.

<u>Group 3/4</u> – In the last topic the children have learned a lot about pets. This term we will continue with animals but we will talk about wild animals. Where does a polar bear live? Or a lion? We are going to sing songs, design our own zoo and play lots of games like, go fish and charades. Lots of ways to make English fun!
